

Custom Contact Intelligence Research Requests

TechnoMile’s proprietary GovSearch database gives clients a single, authoritative source for contact information for senior government decision and policymakers – all curated by our seasoned team of research analysts. From time to time, there may be government contacts beyond our solution’s current scope that would be valuable to help achieve your business’s objectives and TechnoMile is here to help! Clients can submit a custom contact intelligence request to be researched by our expert analyst team.

Whether you subscribe to our web-based GovSearch solution or you have access to GovSearch contact intelligence via our Competitive Insights platform, **it’s simple to submit a custom research request. Here’s how:**

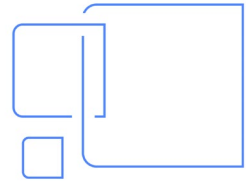

1. Access the GovSearch database:
 - a. Subscribers to our web-based GovSearch solution can log in directly here: <https://carrollpub.com/Subscribers/login.asp>
 - b. Users of our Competitive Insights platform should drill into “Contacts” from the desired agency’s Competitive Insights panel, and then select the “View in GovSearch” option.

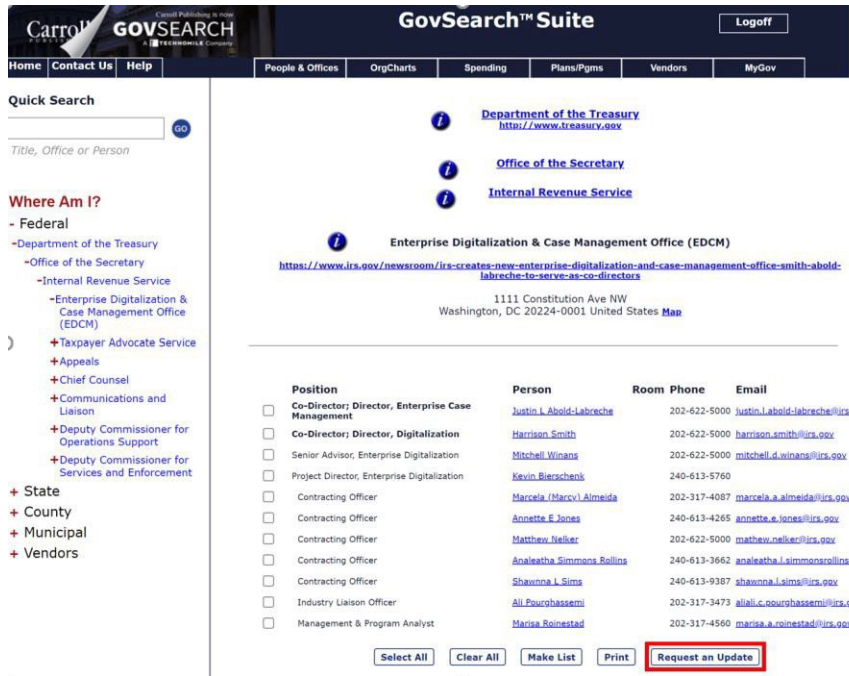

The screenshot shows the TechnoMile web interface for the Internal Revenue Service (IRS). The top navigation bar includes links for Agency Details, Awards (1K+), Contracts (1K+), and Contacts (11). The main content area displays the IRS SubAgency details, including the top office, phone number, address, and website. A table of contacts is shown below, with columns for Import Contact, First Name, Last Name, and Position/Title. A red arrow points to the 'View in GovSearch' button in the top right corner of the agency details section.

Import Contact	First Name	Last Name	Position/Title
	Liz	Dugger	Assistant Deputy Commissioner for Operations Support
	John	Cardone	Assistant Deputy Commissioner, Compliance Integration
	Bryan	Musselman	Assoc CFO, Corporate Budget
	William	Maglin	Assoc CFO, Financial Mgmt
	John	Pekarik	Assoc CFO, Internal Control

2. Once within GovSearch, navigate to the specific office you’d like to learn more about.

- Once you're viewing the office you'd like our team to research, select the "Request an Update" button from the bottom right of the page.
